

A PLACE TO COME TOGETHER  
AND REMEMBER

# Funeral Wakes

Welcome to  IRISH CENTRE  
*At the heart of the Irish Community*

At the Irish Centre, we understand how stressful it can be to arrange a funeral and organise a wake.

Our trusted reputation and highly experienced team ensure your function is managed with care, allowing you to focus on what matters most during this difficult time.

## OUR ROOMS

We DO NOT charge for room hire for funeral events, except for if you provide your own catering, then a fee of £150 applies.

Tara Suite - A large, versatile space that can be divided for smaller gatherings.

O'Meara Suite - Newly refurbished private room with a capacity of 180 guests, perfect for more intimate functions.

Davitt Bar - Our members' bar, ideal for smaller gatherings in a comfortable, relaxed setting.

## MUSIC

Many families like to have background music or play a few special songs to remember their loved ones. This can be arranged through Spotify by creating a playlist and sharing it with us in advance, helping to make the occasion truly personal and meaningful.

## DECOR

All our rooms are thoughtfully prepared with standard wax-backed paper table covers in a colour of your choice, each topped with a low-boy candle to create a welcoming atmosphere. The Davitt Bar is always set with linen at no extra cost, while other rooms can be dressed with linen for an additional £150, adding a touch of elegance to your event.

## DRINKS

All drinks **MUST** be provided by the Irish Centre. Guests may wish to offer drinks to attendees; this can be arranged by setting up a bar tab with a credit card or by prepaying in advance. All bar tabs will be issued with a VAT receipt.

## MEMORY FEATURES

Many families like to create a memory feature to celebrate the life of their loved one. We can provide a memory table to display photographs, or a book where guests can write personal stories and memories. There is also the option to project pictures onto a screen during the event. Photographs should be provided as JPEG files on a USB stick, and we kindly ask that these are brought in a few days in advance to ensure everything is set up and working smoothly.

Please don't hesitate to contact us for any other information you may require. (0113) 2480887
